QUATRA-LOG

SCHOOL BUS
SCHOOL BUS

Dear Friends,

We gave you all we had to give. Sometimes we were so busy that we hardly saw ourselves for days. Sometimes we grieved over things, with lashes wet. But tears dry in such a little while.

Our theme this year is "Life at Foard." Here we have often experienced the softening ministry of disappointment and the enlarging ministry of failure. We haven't always had the long gaze, but we have given devoted attention whenever circumstances warranted, especially on the days before report cards were distributed. Neither have we undervalued the ordinary occasions which stretched between the big moments of our school life this year. Haven't we always taken advantage of the teachers' occasional absences from the rooms to let our voices descend on high? Not all the the entreaties of our teachers fell upon deaf ears either. We were smart enough to read the day's disasters in their morning faces! How attentive we were then. If at all possible, however, we managed to watch Preach mowing the lawn or sweeping the halls.

But in the main we displayed the revealed glory of the accepted children of God, even though our little tricks made some of our teachers doubtful. Some of us were not content until we became twinkling stars, steadfast in our orbits. For this, Coach and the 4-H leaders were most grateful.

And now, Friends, if it is really true that people are always wishing for some power to see themselves as others see them--------just stand aside and see yourselves go by!

CONTENTS

DEDICATION

To Mrs. Alma B. Reitzel, whose gracious smile and warm friendly greeting have brightened the halls of Foard High School for four enjoyable years; who has guided many Seniors to a better understanding of our native language; who has labored so unselfishly for our education and given us her unfailing loyalty and support; we, the class of '57, respectfully dedicate the Quatra Log of 1957.

"This above all: to thine own self be true, and it must follow, as the night the day, thou canst not then be false to any man."

We, the Seniors, are very proud to be publishing the Quatra-Log of '57. It is hard to realize that we have completed four years of study at Fred T. Foard. We have spent many happy days here, and, as we tum the next few pages, we wish to recall some of these pleasant memories for ourselves, as well as for those who will come after us.

As freshmen, we were somewhat "green", as the saying goes. We did a lot of walking to find each class and then, perhaps, went in the wrong one. There was general confusion, but eventually we settled down to begin our long struggle through high school. When we became sophomores, everyone probably remembers most of all biology class, where we cut up those poor, innocent frogs.

Then we became juniors. Now we were beginning to feel more important. We were treated with more respect by those "Seniors". There were many activities to keep us busy and happy that year. Planning for and giving the Junior-Senior Banquet rated first among these. And, of course, we can't forget typing class, where most of us pounded away for many hours. Here we got down to business.

Now we have arrived! After many days of pleasures and perhaps heartaches, we have at last reached our desired goal! We are Seniors! This year has probably been the most enjoyable of all our four years; but it hasn't been all fun. We have worked very hard, encountered and overcome many difficulties. Not one of us will ever forget, nor do we wish to forget, Senior English Class, where we spent trying but very profitable hours.

Graduation day is now almost here. Soon we shall leave our beloved school where we have lived the biggest part of our lives for the past four years. It will be a sad occasion, but a triumphant one. Armed with our diplomas, we have earned the right to enter the ever-criticizing world, to gain success or failure. To those who will follow in our footsteps, we leave these memories and hope that theirs will equal or exceed our own.

NEATEST

SYLVIA AND BUDDY

Grooming is a part of many school curriculums, but our best teachers in this "art" or "science"are Buddy and Sylvia. These two, though not addicted to the Ivy League look, have always managed to be our candidates for Seventeen or Esquire.

MOST LIKELY TO SUCCEED

FRANCES AND TOMMY

Our best scholars, Frances and Tommy, fall naturally into the most-likely-to-succeed place. We can't imagine these two failing in anything they set out to do and we know that someday we'll be able to say, "We knew them when!"

MOST TALENTED

MARGARET AND GARY

Though they are not quite up to Theatre Guild standards at present, Margaret and Gary are well on their way. Their talents through our school years have been such pleasure to watch and to hear.

BEST CITIZENS

JULIA AND CHARLES

Ever conscious that we are all about to go out into a wide, wide world, Julia and Charles have always made us realize that respect for parents, church, rules, and laws is a priceless asset.

BEST PERSONALITY

SYLVIA AND DONALD

Sylvia and Donald always could put forth that extra smile or pat on the back that made us feel so wonderful. Long after they are gone from Foard, we'll remember the "glow" that was always a part of them.

MOST DIGNIFIED

JUDY AND CARROLL

We all know the definition for a "lady" or a "gentleman", and these two measure up to a surprising degree. Judy and Carroll have always been so nice to have around and have added much to all our class "social activities".

MOST VERSATILE

MADELINE AND TOMMY

Anywhere, anytime, these two are never without something to do. It would be easier to mention what they couldn't do or wouldn't do. They've contributed so much in big and little ways to our school years it makes them our "most unforget-table."

MOST POPULAR

SYLVIA AND JOHN

These two seem always to be the center of attraction, separately, of course. They both have the sense of humor, the poise that popular people possess. Life at Foard just couldn't have been quite so lively without Sylvia and John.

BEST LOOKING

JUDY AND LARRY

Dark hair, dark eyes-----nice to just watch. These two are truly our best look-ing. Judy and Larry have the looks that make you believe "A thing of beauty is a joy forever." We've enjoyed it for four years!

FRIENDLIEST

DORIS AND BUDDY

You just have to look at these two to catch that friendly glow that's always there. When you meet either, you know that smile, or wave, or "Hi" from Doris and Buddy will make a "D" or a rainy day seem less dreary.

MOST DEPENDABLE

FRANCES AND BILL

Something has to be done! It has to be done promptly, so we ask Frances or Bill, and before we're through asking we have that sure feeling that whatever we ask will be accomplished.

BEST-ALL-AROUND

SYLVIA AND JOHN

On a basketball court, on a dance floor, in a classroom---anywhere---these two can contribute something. Sylvia and John have seemed to be everywhere yet have made us feel all this effort for Foard is wonderful fun.

MOST COURTEOUS

SYLVIA AND BUDDY

Manners make the man--but in this case--manners make a girl and a boy. Every day of our lives after we leave Foard, we can look back and remember with delight how nice it was to have Sylvia and Buddy for constant, courteous companions.

MOST ATHLETIC

NANCY AND LARRY

The "Good Sports" of our class: Nancy and Larry. Even before graduation we had champions in these two. They have added much to the legend that our class will leave to Foard.

MOST STUDIOUS

FRANCES AND TOMMY

Exams and such never seem to bother these two. They have, through four years, been our scholars, and Frances and Tommy are not nose-in-book scholars either, but nice, friendly people who always manage to get that string of "A's."

JUNIOR MARSHALS OF '56

KNEELING: Betty Jo McCracken; Madeline Fry. STANDING: Margaret Lutz; Frances Frye, Chief; Marilyn Wallace.

These five girls were selected by the faculty as Junior Marshals because of their outstanding scholastic ability. All of them have an average of 95 or over in their work. We are very proud of these girls for the honors they have received during their four years at Foard.

"Little Book, say not our work
is done!
With these friends we have been
long together.
Through pleasant and through
cloudy weather;
'Tis hard to part, for friends
are dear---
Perhaps 'twill cost a sigh,
a tear.
Little Book, say not 'Good-by'
but
'Till We Meet Again!'"
